THE HORSE IN ART

A MAJOR SHOW OF WORK BY
CARO WARD

Exhibition continues to 28th May
Open Fri & Sat 10 to 4pm

Ancient mythical stories of horses galloping through the sky and sea still holds a certain romantic appeal for us today. Without the co-operation of this powerful yet obedient animal, some of our most significant buildings would not have been built, including the mill that houses the gallery.

This exhibition pays a homage to the animal that has for thousands of years been the mainstay of our society.
